Issue: Free trial days reset when user deactivate then activate again

URL: https://app.adriel.com/#/settings?accountId=189061&planType=T

Steps to reproduce:
1.Sign up with a google account (happercao@gmail.com) on previous day
2.On current day, sign in with account above
=>Free trial: 12 days left. OK
3. Deactivate that account
4.Try to login again with that account
5.Check Free trial days

Actual result: Free trial reset to 13 days
Expected result: Free trial days should kept 12 days instead of reset to default.

Small UI issue: a border display unexpectedly on screen after submit a request demo
URL: landing.adriel.com
Steps:
1. Open landing page
2. Request a demo
3. Enter data then submit

Issue: a border display on the screen unexpectedly
Screenshot:

Issue: search suggestion dropdown showing ‘No option available’ unexpectedly
URL: https://app.adriel.com/#/Settings?accountId=27594&planType=T
Steps:
1. Go to dashboard
2. Click on search box
3. Enter: ‘google’

Actual result: A list of ‘No option available’ showing in search suggestion dropdown
Expected: Those items should not visible, only item matching with ‘google’ should be visible.
